

Dear Editor in Chief,
Journal of Power Technologies
Date: 10/14/2020

I am enclosing herewith a paper entitled “**An Adaptive Neuro-Fuzzy based Methodology for Harmonic Analysis of Power Transformer**” for possible evaluation in the Journal of Power Technologies-JPT. With the submission of this paper I would like to undertake that:

- The research work presented in the paper comes in the scope of the journal as per my observation and many journal's papers are also used as the reference.
- All authors of this review paper have directly participated in the planning, execution, or analysis of this study.
- All authors of this paper have read and approved the final version submitted;
- The contents of this manuscript are not now under consideration for publication elsewhere

In order to ensure compliance with the policies, I, as corresponding author on behalf of all the authors, am retaining the rights for all the authors and their representatives (such as their respective university employers) for future correspondences and any recommended changes, suggested or required, in the manuscript for the final submission.

A timely arrangement of the editor decision will be highly appreciated.

Thanks, and Sincere Regards
(On behalf of all Authors)
